

HAHA!

**BLIND
ARTIST**
Game #2

OMG

LOL

A HILARIOUS ICEBREAKER FOR EVERYONE

What is the Blind Artist Game?

Blind Artist is an awesome, fun game where partners have to help each other draw a picture. But there's a twist...

..the artist won't be able to see!

How to Play:

First, Buddy up!

- **“Blind Artist”** - get ready to draw and close your eyes tight.
- **“Director”** – Verbally guide your artist in drawing the picture shown. You may **ONLY** say directions, lines, and shapes.

Last, When the teacher announces, look at the picture and laugh hysterically!

Example:

“Okay, draw a horizontal line to your left.
Good now draw a vertical line . . .
keep going . . . okay stop!

Now pick up your pencil and move it
forward just a little bit. . . okay, put it
down.

Now draw a small circle. Stop! Now draw a
diagonal line to your left going up. “

RULES FOR THE DIRECTOR

1. Don't tell the artist what he/she is drawing
2. Don't touch the artist's hand
3. You may **ONLY** say **lines, directions, and shapes**
4. You are allowed to start over **ONCE** per round. To do this, pick up the artist's hand and move it to another part of the paper.

RULES FOR THE BLIND ARTIST

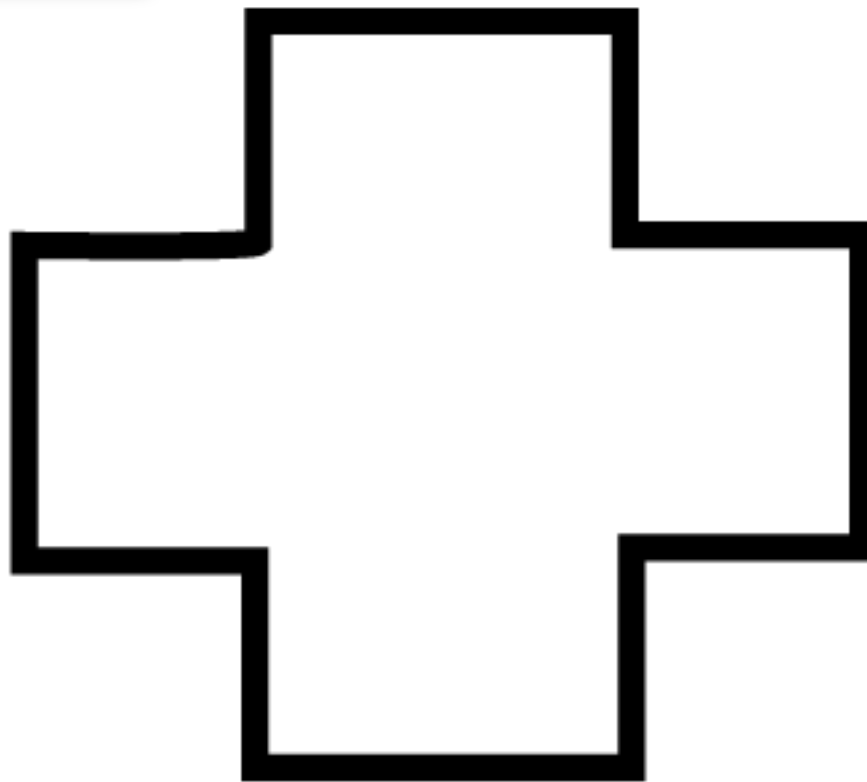

- 1. Don't peek!**
2. No really, don't peek.
3. Don't take your hand off the paper unless your partner directs you to. Even if you think you mess up.
4. Wait until the teacher announces to look at your masterpiece.

ARE YOU READY??

Artist –
get ready to draw,
then close your eyes!
